

# A-PLUS

Mixture

## SPECIAL FEATURES

- Excellent heat and drought tolerance from a deep root system.
- Superior wear tolerance and recuperative potential.
- Improved sod-forming characteristics.
- Excellent density and leaf texture.
- Good adaptation to sun or shade.
- Superior resistance to brown patch, *Pythium*, and net blotch diseases.

## FORMULA

10% NuBlue or Blue Chip Kentucky bluegrass

90% 3 of 4 tall fescue varieties (Arid 3, Quest, Inferno)

## AGRONOMIC CHARACTERISTICS

A-Plus Mixture provides all of the outstanding characteristics of our Triple-A tall fescue blend plus improved sod-forming characteristics and recuperative potential by adding Kentucky bluegrass to maintain a denser and finer textured turf by creeping into voids caused by divots or excessive wear.

## SUGGESTED SEEDING RATES

New Seeding                      250 - 500 lbs./acre

Overseeding                      100 - 200 lbs./acre
