Fleet™ has been scientifically formulated with HYDROTECH™ to provide turf managers with the most active surfactant technology and greatest turf safety.

Fleet was developed to address both the symptoms and direct causes of soil water repellency.

**Directions for Use:** Apply 8 ounces per 1000 ft² in 2 gallons of water per 1000 ft² every 30 days. For increased penetration and surface firmness apply 8 ounces per 1000 ft² in 2 gallons of water per 1000 ft² every 15 days.

**Features:**
- HYDROTECH™ – A novel surfactant technology
- Non-phytotoxic formulation
- Advanced hydrophobic coating remover technology

**Benefits:**
- Increases water infiltration and hydraulic conductivity
- Promotes firm, fast putting surfaces
- Deep, uniform soil moisture distribution
- Increases soil oxygen content
- Improves turf color and quality

**NON-PLANT FOOD INGREDIENT:**
100% Polyoxalkylene polymers

Information regarding the contents and levels of metals in this product is available on the Internet at http://www.regulatory-info-jr.com

**Net Contents:**
2.5 Gal.

**Net Weight:**
8.748 Lbs./Gal.
PRECAUTIONARY STATEMENTS
NOTICE: Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty (30) days of purchase to the place of purchase.
CAUTION: Keep out of reach of children.
IN CASE OF EMERGENCY OR SPILL, Contact Hazmat Response 1 (800) 229-5252.

FIRST AID MEASURES IN CASE OF CONTACT
Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.
Skin Contact: Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.
Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

STORAGE AND DISPOSAL
Prohibitions: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.
Storage: Store in original container only and keep sealed. Store in closed storage area.
Use caution when moving, closing or pouring. Do not store below 45°F (7°C). Some settling may occur. Shake container (as practical) before use.
Product Disposal: Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

LIMITED WARRANTY AND DISCLAIMERS
J.R. Simplot Company ("Seller") warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case is J.R. Simplot Company liable for consequential, special or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller’s option, as full discharge of Seller’s liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller.

**Fleet**™ has been scientifically formulated with HYDROTECT™ to provide turf managers with the most active surfactant technology and greatest turf safety.

**Fleet** was developed to address both the symptoms and direct causes of soil water repellency.

**Features:**
- HYDROTECT™ – A novel surfactant technology
- Non-phytotoxic formulation
- Advanced hydrophobic coating remover technology

**Benefits:**
- Increases water infiltration and hydraulic conductivity
- Promotes firm, fast putting surfaces
- Deep, uniform soil moisture distribution
- Increases soil oxygen content
- Improves turf color and quality

**Application Rates:**
**Greens & Tees**
Apply 8 ounces per 1000 ft² in 2 gallons of water per 1000 ft² every 30 days.

For increased penetration and surface firmness apply 8 ounces per 1000 ft² in 2 gallons of water per 1000 ft² every 15 days.

---

**HYDROTECT™** is a multi-branched surfactant technology with a large poly-branched molecular structure that enables improved water management efficiency and increased performance because of increased interaction with soil and water.

HYDROTECT™ has 6–8 times more active sites enabling higher efficiency water management than traditional wetting agents.

Engineered to consistently perform throughout the application interval because the beneficial properties are less affected by biodegradation than conventional surfactants.
