LUMEN
Turf Color Enhancer

- Lumen™ is a highly effective green pigment concentrate designed to enhance turf color
- Used as a spray pattern indicator, Lumen™ can be tank mixed with fertilizers, plant growth regulators, wetting agents, fungicides, insecticides, and selective herbicides
- Lumen™ can be utilized on greens, tees, fairways, sports turf, sod farms and commercial / residential lawns

Net Contents: 2.5 Gallon (9.46 L)

XXXXX2.5G GHSversion:16XXX

XXXXX2.5G GHSversion:16XXX

Lumen™ contains a green pigment that provides an even deep color when applied to turf. Lumen™ can improve the appearance of turf and provide a visual spray pattern identification for the applicator.

DIRECTIONS FOR USE:

SHAKE BEFORE USE!

Lumen™ requires agitation immediately before application.

General Turf Color Enhancement:

Apply at the rate of 16 ounces per acre (0.37 ounces / 1,000 ft²) in at least 45 gallons of water. Higher rates (up to 48 ounces per acre) may be necessary depending on the condition of the turf (i.e. nutrient deficient turf, diseased turf, etc.) One gallon of Lumen™ will treat up to 8 acres of turf.

Dormant Turf (non-overseeded Bermudagrass)

Best results are achieved when an initial application of 40-64 ounces are applied to turf just prior to onset

of complete dormancy. Follow-up applications at 16-32 ounces to be applied every 3-6 weeks as required based on traffic, rainfall and/or desired color.

KEEP PRODUCT FROM FREEZING.

NOT FOR AQUATIC USE. Do not allow this product to enter sewer, lakes or streams. This product may be harmful to aquatic life.

This product is not considered hazardous under the Globally Harmonized System (GHS) regulations.

Warning: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.
