## High Performance EPA Registered Pesticides

### PestPack™

#### PRODUCTS FEATURE:

##### Despot™ Snail & Slug Bait

A highly effective, iron-based snail and slug bait that has a non-toxic mode of action and can be used in areas where pets and wildlife protection are a concern. When snails and slugs ingest even small amounts of Despot™ Snail & Slug Bait, it causes them to cease feeding which gives plants immediate protection

##### SP 3WAY™ Broadleaf Herbicide

SP 3WAY™ Broadleaf Herbicide containing 2,4-D, MCPA and dicamba is now available for use on hard-to-control broadleaf weeds in both cool season and warm season turf.  
(AR, CO, ID, KS, MT, NV, OK, OR, TX, UT, WA, WY only)
