Derived from agricultural slag.

ALSO CONTAINS NONPLANT FOOD INGREDIENT:

Beneficial Substance

2% Soluble Silicon (Si) (Derived from agricultural slag)

Purpose: Silicon has been shown to improve cell wall thickness in plants.

KEEP OUT OF REACH OF CHILDREN

WARNING

CAUSES SKIN IRRITATION. CAUSES EYE IRRITATION.
HARMFUL IF INHALED. MAY CAUSE RESPIRATORY IRRITATION.

PRECAUTIONARY STATEMENTS

Avoid breathing dust. Wash hands, forearms and face thoroughly after handling. Use only outdoors or in a well-ventilated area. For specific treatment see supplemental first aid instruction on this label.

PERSONAL PROTECTIVE EQUIPMENT

Wear protective gloves / protective clothing / eye protection / face protection.

FIRST AID

IF ON SKIN Wash with plenty of water. If skin irritation occurs, get medical attention.

Take off contaminated clothing and wash it before reuse.

IF INHALED Remove person to fresh air and keep comfortable for breathing. Call a poison center / doctor if you feel unwell.

IF IN EYES Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

STORAGE AND DISPOSAL

STORAGE Store in a well-ventilated place. Keep container tightly closed. Store locked up. **DISPOSAL** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation.

Bulk Density: 110 lbs. / cu. ft.

SGN 175

DIRECTIONS FOR USE

FOR PROFESSIONAL USE ONLY

VESKAR™ is a granular micronutrient supplement derived from agricultural slag which has been processed into granules that readily breakdown upon hydration from overhead irrigation water. To avoid mower pickup of granules on close-cut turf (sports fields and golf course tees / approaches), water-in with approximately 0.25 inches of irrigation water or sufficient rainfall after application.

TURF

| | lbs / 1,000 ft ² | lbs / acre |
|--------------------------|-----------------------------|------------|
| Initial Application | 10 – 20 | 435 – 870 |
| Reoccurring Applications | 5 – 10 | 220 – 440 |

For reoccurring applications, apply VESKAR™ every 30 – 60 days throughout the season while the turf is actively growing. Always irrigate thoroughly after application to allow the granules to dissolve completely.

LANDSCAPE AND ORNAMENTALS

| | Rate |
|--------------------------------------|-------------------------------------|
| Herbaceous Plants, Shrubs, and Trees | 0.5 – 2 lbs / 100 ft ² * |

*For ornamental plants, incorporate 1-2 lbs. / 100 ft² into the top 4 inches of topsoil prior to planting. For maintenance applications, apply 0.5 lbs. around base of ornamental plants in the Spring and Fall and water in to dissolve granules.

*For trees and shrubs, apply 0.5 – 1 lbs. for each inch of trunk diameter and distribute from base to dripline as evenly as possible. Use higher rate for larger / more mature trees. Always irrigate thoroughly after application to dissolve granules.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn.

WARNING: This product can expose you to chemicals including cadmium which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov
