

# BIOKELP® 0-0-1

BIOKELP® 0-0-1 contains a concentrated extract harvested from North Atlantic kelp.

## GUARANTEED ANALYSIS

Soluble Potash (K<sub>2</sub>O) ..... 1.0%

Derived From: Kelp extract (*Ascophyllum nodosum*)

## KEEP OUT OF REACH OF CHILDREN

### DIRECTIONS FOR USE

#### **Shake container before use!**

BIOKELP® 0-0-1 can be applied throughout the growing season to cool and warm season grasses, trees, and ornamentals. This product is intended to supplement a regular fertilization program. BIOKELP® 0-0-1 will not, by itself, provide all the nutrients normally required by plants.

BIOKELP® 0-0-1 is compatible with many products when added to a tank mix. If compatibility is uncertain, perform a jar test. **For best results, always add BIOKELP® 0-0-1 to the tank first and allow to agitate thoroughly before adding other products.**

## TURF

	fl. oz. / 1,000 ft <sup>2</sup>	Quarts / Acre
Greens and Tees	0.75 – 3.0 fl. oz.	1.0 – 4.0 qts.
Fairways and Other Turf	0.37 – 1.5 fl. oz.	0.5 – 2.0 qts.

Use sufficient water for good coverage (e.g. 1 – 2 gallons / 1,000 ft<sup>2</sup> or 45 – 90 gallons / acre) every 2 – 4 weeks throughout the growing season. Best results when the first application of BIOKELP® 0-0-1 is applied on actively growing turf. Frequent light applications are typically more effective than infrequent heavy applications.

## LANDSCAPE & ORNAMENTALS

	1 Gallon	100 Gallons
Trees and Shrubs	0.5 fl. oz.	0.5 gal.
Ornamentals	1.5 fl. oz.	1.5 gals.

For trees and shrubs, apply 5 gallons of mix per inch of trunk diameter at chest height. Tank mix should be injected in a circular grid pattern starting 1 ft. from trunk and continuing 2 ft. past the drip line.

For Ornamentals, mix BIOKELP® 0-0-1 at rates listed above and spray to runoff. Add Do not apply to flower buds or blossoms of flowers, shrubs, and trees.

## IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties, and Limitations of Liability.

**CONDITIONS, DISCLAIMER OF WARRANTIES, and LIMITATIONS OF LIABILITY. CONDITIONS:** The Directions For Use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risk associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Simplot AB Retail, Inc. and its affiliates (collectively, "Simplot"). To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer. **DISCLAIMER OF WARRANTIES:** To the extent consistent with applicable law, Simplot makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Simplot is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Simplot disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. **LIMITATIONS OF LIABILITY:** To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or, at Simplot's election, the replacement of product.

## STORAGE

Store in a cool dry place at temperatures between 40° and 85° F. Protect from direct sunlight and keep the container closed to prevent evaporation.

## VOLUMETRIC CONVERSION INFORMATION

1 fluid ounce of BIOKELP® 0-0-1 = 0.00076 lbs. K<sub>2</sub>O

Weight per gallon ..... 9.76 lbs/gal @ 68°F
